

Field Staff Handbook Acknowledgment

As a part of my orientation, I have reviewed a copy of the Health Specialists Field Staff Handbook that outlines the policies and practices of the company, and I understand the information contained in the Handbook.

Since the information in this Handbook is necessarily subject to change as situations warrant, it is understood that changes in the Handbook may supersede, revise, or eliminate one or more of the policies in this Handbook. These changes will be communicated to me by my recruiter/manager or through official notices. I accept responsibility for keeping informed of these changes.

I further acknowledge my understanding that my employment with Health Specialists may be terminated at any time, with or without cause.
